COMMERCIAL
SHARE REPORT.

Messrs Vernon and Smyth, in their weekly share report, dated March 6th state:—

The market during the past week in local stocks has widened, and points to more activity being displayed in the near future. Longlists have been the chief attraction and led to considerable dealings, and, since our last report, have had a very substantial rise, as they now close in demand at Tls. 61, with holders asking for a better price. The "Rubber" market has improved, the tone of the share being returned as firmer. Fine Hard Para has now a quotation of 3/04 per lb. and Plantation sheet at 2/4 per lb. The open market rate of discount is easier at 2 1/2 per cent., and the Bank of England rate remains as previously quoted viz. 3 per cent. Bar Silver has a quotation of 27 for ready and 23 1/2 for forward. Sterling T.T. of 1/11, Shanghai T.T. 7/3, and Singapore T.T. 8/2. Consols now stand at 75 1/2.

Banks.—Hongkong and Shanghai have been sold at \$810 and \$815, and are now advised from London as 283 sellers. Marine Insurance.—Unions have again been dealt in at \$845, and Cantons remain in demand at \$823, without leading to business. North China are wanted at Tls. 139, and Yangtze at \$197, with no business to report.

Five Insurance.—China Fires are on offer at \$197, and Hongkong Fires close with a nominal quotation of \$205.

Shipping.—Hongkong, Canton and Macao have closed hands at \$23 1/2 and \$29, and close with sellers at the first price. Discharges have been a quiet market during the week with a nominal quotation of \$24, but now close with buyers at \$25.

China Mail.—Shells have a middle quotation of 102 1/2, and Mexican Eagles of 1/2. Urul Caplains are easier at 50 1/2 middle.

Refineries.—China Sugar have been sold at \$90, but still remain a quiet market, and Luzon remain on offer at \$31 without leading to business.

Mining.—Copper is impeded at \$3, and Howards remain unchanged with a nominal quotation of 2/4. Kailans are quiet and are advised from London as having a middle quotation of 40. Tronohs are wanted locally at 3/7, without leading to business, and which figure they are advised from London as having a middle quotation of 3/8.

Docks.—Wharves and Docks.—Hongkong and Whampoa Docks have been sold at \$74 and \$75, and now close on offer at the latter price. Kowloon Wharves have had sales at \$85 and \$85, and now are wanted at \$84 ex div. No change has been reported in New Amoy Docks, which again close with a nominal quotation of \$83.

Shanghai Docks have now on offer at Tls. 129. 1/2. Cans close with a nominal quotation of Tls. 131, and Lau Kung Mow have now sellers at Tls. 90.

Miscellaneous.—China Providents have been placed at \$9. Hongkong Electric at \$44. Green Islands at \$9.30 and Hongkong Tram at \$11. Light are on offer at \$84. Low at \$185. Pink Tram (new) at 93 cents. Stearns Luminous at \$11. Waterbush at \$29 and Trowell at \$9. The following close with a nominal quotation viz. China Borneos at \$11, China Providents at \$8.30, ex div. Hongkong Ropes at \$23, and Pink Trams (new) at \$10.

London.—Quotations.—The following quotations (middle price) were received from our London Agents by wire this morning.

LANDRENTERS' MEETING AT SHAMSHEN.

Following are the minutes of the annual general meeting of landrenters and interlopers of the British Colonisation, Shamen (Canton), held at H.B.M.'s Consulate-General on February 27th:—
Present:—Messrs. Jamieson (13), Combe (1), Gilman (9), Hogg (3), Adams (1), Cameron (5), Mehta (2), Kench (2), Tigges (5), Spalinger (1), Patten (1), Frank (1), Macdonald (2), Metzier (3), Shera (2), Bigley (3), Alford (2), Stanton (7), Turner (4), Land (3), Manning (4), Lanning (4), Cages (1), Bent (4), Shields (4), Carey (1), Martin (2), Avey (2), Sunderland (1), Griffith (3), Davenport (2), Schuler (3), and Mace (8)—total, 118 votes.
H.B.M. Consul-General in the chair.
The Secretary having read the minutes of the meeting.

H.B.M. Consul-General said that the first business before the meeting was the passing of the outgoing Council's report and accounts, which had been in the ratepayers' hands for some time. No questions being forthcoming.

Mr. Stanton proposed, and Mr. Mace seconded, that the report of the Council be adopted and the accounts passed.

Carried unanimously.

THE NEW COUNCIL.

The Chairman then read the list of ratepayers nominated for election to the Municipal Council for 1914:—

Mr. C. Ahrendt, nominated by Messrs. Tigges and Gilman.

Mr. F. W. Carey, nominated by Messrs. Mace and Hogg.

Mr. A. Vivian Hogg, nominated by Messrs. Stanton and Gilman.

Mr. G. C. Kitching, nominated by Messrs. Gilman and Macdonald.

Mr. O. V. Lanning, nominated by Messrs. Gilman and Macdonald.

Only five nominations having been forthcoming, the Chairman declared these gentlemen duly elected.

FINANCIAL MATTERS ON THE SHAMSHEN.
A general discussion ensued. Every one was agreed that the saving of timber had become a nuisance owing to the large number of houses being erected on Shamen, but the majority held that the matter could be satisfactorily dealt with under existing by-laws.

The Chairman of the Council (Mr. Gilman) maintained that the new by-law was necessary. The Council would be placed in an individual position if the issue was thrown on them of refusing or permitting contractors to saw timber, and thought that a fixed rule refusing all applications should be made.

Mr. Griffith stated that he had found no difficulty when Chairman of the Council—in restricting the area used for sawing operations.

Mr. Jamieson pointed out that it was in the power of the Council to endorse on the building permit that no sawing of bulks of timber would be permitted.

Mr. Stanton then moved an amendment, seconded by Mr. Spalinger, that "the proposed by-law is unnecessary."

Carried by a large majority.
